“ Hey Papaw, How are you doing? I hope you are doing well. Um.. so it is 2020 now and things aren't going as well as we hoped. There is a virus that is giving us a hard time. I wish everything will get better soon, hopefully. A couple years back, I got into a new style of music, Kpop. I know, everyone says it is weird but, you know I really enjoy it, it is not like English music. It has concepts and I really love the groups. I think NCT, BTS, and Twice are my favorites. It was nice posting on your page again. I love you Papaw, I miss you with all my heart.
