“ Our brother was a sensitive caring individual. We did not get to spend near enough time with him. He fought the good fight and has gone to be with his maker. He dearly loved his children and grandchildren.

It has been an honor to be related both to Cebern and his devoted family..

We will miss you dear brother.

love, Sis

The best brother ever. Always tried to help everyone at his own expense. If there is a heaven he should get a front seat. Will miss him forever.
