

Donna Gail Lanier

January 24, 1952 - March 1, 2022

Donna Gail Lanier, age 70, was reunited with her father in Heaven on March 1, 2022. She lived a life that focused on Family, Friends, and Love. She taught her family about how the simplest things in life can bring you the greatest joys.

Donna was brought into this world on January 24, 1952, in Dallas, Texas. She attended and was a part of the Wilmer Hutchins High School Class of 1970. She married Dewey Earl Lanier, Jr., in Waxahachie, Texas, on August 28, 1970. Throughout her life, Donna worked at Sears, Cooks Drapery, and Millet the Printer where she retired in 2003.

Donna had a lot of things that brought enjoyment to her life. She enjoyed cooking, baking, making candy for others. Her delicious cakes were often talked about by so many. She also enjoyed crafts, sewing, helping her daughter out at her boutique and salon, visiting her mom at the nursing home, making mums and playing bunco with her "Bunco Ladies". Donna was a woman of many talents, who was happiest when doing things for others.

Donna will be remembered as a devoted wife, mother, grandmother, and friend who exemplified the true meaning of selflessness throughout her life. She had the deepest love for her family. She was so proud of her family and anyone that knew her could tell you that because there was never a conversation that she didn't talk about her kids or grandkids. Her greatest joy

in life was her grandchildren. There was no denying the bond she had with each and every one of her grandkids. They enjoyed all the special outings: going to arcades, movies, and bowling. They knew if they ever needed anything their “Greema” would be there without hesitation. Often, they would not have to even ask for anything because she was already on top of making sure all their needs were met. She leaves behind so many memories that her family and friends will forever remember.

Left to cherish her precious life is her husband of 51 years, Dewey Earl Lanier, Jr., of Lancaster, Texas; son, Randy Huffstutler of Maypearl and mother of his children, Tawnya Stanley of Midlothian; daughter, Prissy Talley and husband Tony of Maypearl; 5 grandchildren, Tyler Talley, Morgan Huffstutler, Taylor Huffstutler, Tucker Talley and Tabi Talley; Donna’s mother JoAnn Harris-Cabe of Lancaster and numerous, aunts, uncles, nephews, nieces, cousins and extended family and friends who all loved her dearly.

She is preceded in death by her father, Billie Jack Harris; grandparents, Ida Mae and Homer Fields, Minnie Mae & George Harris.

Visitation for the family and friends of Donna Gail Lanier will be held on Tuesday, March 8, 2022, from 10-12, at Byrum Funeral Chapel, 425 North Dallas Avenue, Lancaster, TX 75146. A Celebration of life funeral service will follow at 12PM.

The family invites friends and loved ones to share in a meal and fellowship at the Maypearl Service Club at 2PM located at 210 N. Main St. Maypearl, TX 76064, following the funeral service.

Interment will be on Wednesday, March 23, 2022, at 11AM at the Dallas Fort Worth National Cemetery. Obituary and updates can be found at www.byrumfuneralhome.com

“ *I met Donna growing up in the same neighborhood ,her parents lived down the street from me on Taylor st. Donna was always there when you needed something or just to talk too. She was an outstanding person, she love her family and friends. Through out the years we stayed in touch, she kept my kids when I work and our kids went to Lancaster school, we saw each other at games, canival on the square and store, we would talk about our family and friends and the good old days. She was the person who would let you know about what was going she always caring and wondering about others. I will miss my long time friend. R.I.P.*
