“ *My sincerest condolences on the passing of Imogene. Although it has been many years since I've seen this part of my family, my heart still remembers Aunt Nina with much love & goes out to you. “Faith & Linda, I remember sleep overs at your house. Remember how we use to sneak out & stay out till the wee hours of the morning. Then we'd sneak back in just in time for your mama to come in and wake us up. She always treated me like one of her own. My heart is heavy as I remember her at her best & grieve for your loss. Much love to you and your brothers. Shar
