“ Susan, I am so sorry to hear about your Dad's death. I have called him periodically and always let him know of what all is happening with the Chapman family. I think I talked with him last when Aunt Mary Nell died last summer. I thought of him today when we went to the Fair and just gave him a call. Finding that both numbers had been disconnected, I looked on the internet, and there was him smiling face. I know he is happy in heaven with his family members who are there. I will assume that the Chapman cousins don't know and will email them.

Just know that I am thinking of you and Don and your families and will say a special prayer for you all.

“ Having met his children first, I KNEW I was going to like their father - and I did. My regret is that I only got to enjoy him for a short time. Please accept my sympathy and know that you are in my thoughts and prayers. He will be greatly missed by his friends - both old and new.

“ *Frank worked with Keith at the State Fair of Texas for 25 of Keith's 50 years and became friends from that experience. He always had a smile and loved German chocolate cakes. He was always the boss and Frank always called him Mr. Marks. He was special to Paulette as well. We will miss you. Frank and Paulette Rose*

“ *The Marks and my Family...the Beesley's...have interwoven for over 60 years. I consider Keith Marks a great man...a family man, an exemplary community leader...saddened by his passing...but smiling at his life and his impact. And, of course, him getting me into the Cotton Bowl for Cowboy games back in the 60's for free is something I'll always appreciate! Thank you, Keith, for so many memories. Susan and Don, God bless you...and know that your Dad was someone very special to a lot of people.*
