

## Patsy Ruth Hussey

May 16, 1927 - February 26, 2023

Patsy Ruth Hussey, 95, of Lancaster, TX passed away peacefully at home February 26, 2023.

Patsy was born to Velma Maud Lawrence and Cecil Neuburn Miller on May 16, 1927 in Nocona, TX. After high school, Pat attended college in Eastern Tennessee and moved back to Texas to attend Abilene Christian College. Pat started her teaching career in New Mexico, later moving to the Ferris ISD. She taught her love of Science and Home Economics in the Lancaster ISD. She earned a master's degree from Texas Women's University and later went on to take a supervisor role in Special Education until retiring in 1986.

Patsy married R.J. Hussey on October 25, 1957 in Dallas, TX.

Patsy lived her life for the Lord and in the service of others. She loved all people unconditionally. She was a long-time member of the Cold Springs Church of Christ in Lancaster, Tx.

Patsy was an avid Lancaster Tiger, Dallas Mavericks, and Duke University basketball fan. She loved March madness, and always created her own bracket. Her bracket was rarely wrong. And by the way, there better not be any phone calls or visits during March Madness!

She was preceded in death by her husband, R.J. Hussey; her mother, Velma Johnson (husband Albert Johnson); her father, Cecil Miller; her sister, Marilyn Jane Miller; and a great great granddaughter, Addison Jay Pittman.

Patsy is survived by her daughters, Janie Perez and son in law Art Perez, and Beverly Adams; her niece, Holly Corgill and husband AD Corgill; her 8 grandchildren, 4 great-grandchildren, and 1 great-great-grandson.

The family would like to acknowledge Denise Walker and Jacque Moreno for their love and care of Pat. Denise spent every morning and afternoon with Pat for the last 2 years. They formed a special bond.

The family is having a private graveside at a later date.

In lieu of flowers memorials can be made to the Cherokee Home for Children

“ Patsy was the last living relative of my dearly departed Mother, whom we lost in May of 2022. Fortunately I was able to locate Patsy and she and my Father had a very nice conversation. I haven't seen Patsy in over 50 years. She and RJ came to visit my family when we lived in Ohio and I remember she loved RC Cola and even drank it for breakfast! As a child I had never seen such a thing and begged my Mom to let me have some RC for breakfast with Patsy, LOL! Of course that request was denied. My Mom always spoke so fondly of Pat and RJ. Years ago Patsy sent my Mom 2 hand painted pictures that Moms mother painted. She was so thrilled to receive them. To this day I still don't know how Pasty and my Mom were related? My condolences go out to Patsy's family and friends.

“ I remember Mrs. Hussey's science class in high school; she always wanted us to do our best and was willing to push us a bit to get it. Later I substituted for her after I finished my student teaching. She was also a good friend to my parents, J.M. & Billie Smith. My thoughts are with you and your family, Beverly. Pat (Smith) Clamon

“ Pat and RJ were both dear friends of my parents, and I got to know them both while sitting at the hospital with my parents. Pat was quite a mess and I always enjoyed visiting with her. She was a fine example of what a christian should be and was always doing things for others. She is going to be missed.

So adored both Pat & RJ. They along with Lucy & little George Havens took 14 of us kids in Spanish club to Mexico for a wonderful week in 1962. We had a blast. All gone now but remembered fondly.
