“My sweet and loving step mom and friend! She was always mothering every one at the nursing home, helping them and patting their hands and loving on them! She was like the house mother there! We spent many days putting makeup on her, bringing her food and eating it with her, having her birthday parties, laughing, and singing the old hymns together with her other roommate, Norma! She loved music and singing! It was my privilege to take care of her after her and daddy married. Shane took care of daddy's meds and doctors appts and I took care of her meds and appts. We had lots of good times together playing chicken foot and going out to eat. She loved Jesus and going to church. I can still see her singing and clapping her hands, standing by daddy at church! I know one thing, my daddy made her so happy. They even got to go on a cruise together! I will miss her gentle smile and big hugs! I know I will see her in heaven again, all healed from Alzheimers and dancing with Jesus! Thanks, for sharing her with me!

“ Aunt Sandra was a total joy to be around. She was so merciful and loving. She had a great sense of humor! The last time I saw her, she was a little wobbly on her feet so I helped her down the steps. She said "well, I guess I'm going to do the watusi with you"! LOL. She made me laugh so hard. I danced with her when we got to the bottom of the steps.
