“ *I am so glad I got to know Tim. Spent a lot of hours talking with him as we sat at the hospital with Chris and enjoyed the times he came to our home to visit. He was a good man and a very loving and dedicated husband and father. Tim, you will be missed but because of your example and loving guidance your family will be okay, they are strong. til we meet again. Kay Barnett*

“ *I am so glad I got to meet Tim a couple of years ago! He was neat, funny, fun to be around, a good man, a wonderful husband to my dear friend and a super dad to his two lovely kids. I loved hearing Ronda talk about their 25 years of marriage and even after all that time, you could see the love in their eyes and I remember thinking...there it is, a love that lasts for ever! As I write this, I am sure of two things; Tim is in Heaven and that he will always be with Ronda, because true love never dies. Don't say goodbye, say I'll see you later! Although gone too soon, Tim will never be forgotten! Condolences to the family, love and hugs to my friend and the kids.*
