“ Although we have not kept in touch as we wish we had done, the memories of Vickey and Robert, because (like the two of us) they were thought of as a set, are very loving and warm. To remember Vickey is to remember her sweet nature and, especially, her beautiful smile. We are so sorry for her loss and the grief it brings her family. Robert, please know we are keeping all of you in our prayers. God bless and comfort all of you. With loving remembrance, Sharla and Bill Ferguson

“ The first time I met Vickey was at LeRoy's visitation. I was sitting on a bench and Vickey walked over to Leita and was so kind to her and told Leita if she wanted to they could go for walks together. And I thought to myself, what a nice lady and liked her instantly. Since then Danny and I ended up moving in next door. And when my dryer had broke she was down at the lake house and I called to see if her or Bob knew any repairmen, they did not, but, she told me to go on into their garage and use her dryer. What an extra kind thing to do. I've never before have had such wonderful neighbors as Bob and Vickey.
