“ Raydene and I grew up as neighbors and went to school together and had so much fun riding horses together and just hanging out with friends. She was an amazing lady that everyone loved so much. She will be missed terribly. She will always be in my heart. Love you in heaven, Raydene!

“ Billy and family, you all know how much Raydene meant to me. Since she was a small child her and I have been close. We have shared many pleasures and sorrows together in our adult years. My kids and I attended church with ya'll for a while and we have always been family and also shared laughter, love and sorrows or concerns. You guys will have to fill her shoes now with this family. I will always hear her laughter in my mind and heart , but I know with assurance like ya'll I will see her soon and share eternity with her... Love to all Margie Ruth and John

“ My heart broke when I heard of the loss of this truly amazing woman. She will be so dearly missed. She was such a kind and caring person. And so talented. She once spent an entire day taking pictures of my boys at her home, with her animals. Definitely not an easy task with a 1 and 3 year old! But she was extremely patient and amazing with them. Those photos are still framed on my walls, years later. The best pictures I've ever had. Plus she took me for my first horse ride. She taught me everything I needed to know. She was a dear friend to me. I miss her greatly. My prayers and thoughts are with her family.

“My memories of Raydene are many. However, I would like to let you know how I remember her. I remember her by the character she displayed in her life. I personally, never heard her say a negative or derogatory remark about anyone or anything. She was always positive and it showed in her presence when you were around her. She was kind to people and to animals....all of God's creation. She was faithful to family, church, friends, and especially her God. Raydene, you will be greatly missed, always remembered, and always loved!

Raydene was a hard worker in everything she did. She had many talents including photography. I loved going to the state fair and seeing her beautiful pictures displayed. She was a true Christian lady who was kind, loving, selfless, family-centered and most of all loved the Lord. She will be missed.

“I remember Raydene at Spruce as always being kind to her classmates. She was never without a smile or a nice comment. I know God is happy he called her home and He will give peace to each one that is hurting right now.

Raydene was a long time friend and neighbor for over 20 years. She was a happy go lucky type of gal. Always had a sweet smile and personality to match. She was a great mother, grandmother, wife, and friend and will be dearly missed. Heaven gained another beautiful Angel. Praying God will send comfort and peace to those she left behind.

“ Just heard sad news. My life-long friend, since 2nd grade, Raydene Bean, has lost a long fight with cancer. I'm sad she's gone.

I have to, though, be happy for where she is. She is in Heaven. In the arms of Jesus. He's already greeted her with a "well done"... probably a "very well done."

It was Raydene that took me to stock car races! Excitement! It was Raydene, always the calm, steady friend. It was Raydene that took me to church. Yep, Rylie Church of Christ. It's where I heard beautiful voices lifting praises to the same Jesus that welcomed her home!

Thank you dear, sweet, Raydene, for always shining God's light for the rest of us to want!

Rest well, dear Raydene, thank you for being a part of my life.

*Gratefully blessed,

“ Raydene was one of the sweetest people you will ever meet. I told her just a few weeks ago that the things I remembered most about her from school were her long wavy hair, her love of horses and that she was a genuinely sweet person. We will all miss her uplifting posts on FB, the pictures she shared of her precious grandchildren, and her unwavering faith in God. Rest in His arms now Raydene. You are loved and will be missed by many.
