“ There are such fond memories of Burr. The funniest one is watching him eat cereal late one night out of a roasting pan while the rest of us used regular cereal bowls! May he rest in peace.

“ *My family moved to Lancaster in 1957. We lived one block over from the Fridge family. My brother, Steve, and Burr were in 4th grade together. Their friendship lasted through adulthood. There is no doubt that when Burr arrived in heaven, my brother was standing there with out stretched arms to give him a big hug. My sincere condolences to Burr's family.*
